

The Department of Energy, Environmental & Chemical Engineering is pleased to announce the 14th undergraduate International Experience Class. This is an elective class for undergraduate students (Freshmen, Sophomores & Juniors): **E44 EECE 411** (3 credits). The highlight of the class is a two week trip to visit Universitas Indonesia (UI) in Jakarta during the Summer 2025 semester break.

**UNIVERSITAS
INDONESIA**
Veritas, Probitas, Iustitia | Est. 1849

International Experience in Energy, Environmental & Chemical Engineering (EECE 411, 3 credits)

Visit Universitas Indonesia Jakarta during Summer 2025 Semester Break. Enroll in Fall 2025 for this 3 credit class. Approved Engineering Elective class in EECE and several other departments.

Application Deadline December 10, 2024

Washington University in St. Louis

Washington University
Dept. of Energy, Environmental
& Chemical Engineering
Campus Box 1180
One Brookings Drive
St. Louis MO 63130

Mr. Ray Ehrhard
Phone: 314-935-8589
Fax: 314-935-7211
E-mail: rehrrhard@wustl.edu

Forms are available:

Brauer Hall, room 1015
or
Brauer Hall room 3021

Applications due: December 10, 2024

For additional information, please contact Mr. Ray Ehrhard, 935-8589 or rehrrhard@wustl.edu

- The International Experience class is open to all McKelvey School of Engineering undergraduate students (except graduating seniors) in good standing. Preference will be given to Juniors and Sophomores.
- The faculty coordinator for the 2025 visit and class is Mr. Ray Ehrhard and Professor Vijay Ramani.
- **Applications are due December 10, 2024** and selections will be made by January 20, 2025. Application forms are available at the following link <https://eece.washu.edu/academics/international-experiences.html>
- Student cost for trip \$4,900 (financial assistance may be available). Fee covers airfare, lodging, local transportation, university fees, scheduled tours, and some meals.

HIGHLIGHTS

- Pre-visit orientation meetings & seminars
- Visit to Universitas Indonesia tentatively May 15 - May 31, 2025 (dates may change by a day or two)
- Lectures and research project tours at UI and other institutions
- Industry tours bio-technology, petrochemical, and environmental engineering science
- Cultural tours of fascinating locations in and around Jakarta
